OFTEN ONE SEES THE REVERSE ORDER: THE FEMALE IS MORE VIRTUOUS AND THE MALE IS MORE DECEPTIVE.

OF TWO [OF] THE GREATEST POINTS IN A MARRIED WOMAN:

1. Honesty and truthfulness. The wife of a man who is honest and trustworthy is more likely to be happy in marriage. Honesty avoids misunderstandings and disagreements, and it builds trust and confidence.

2. Kindness and consideration. A wife who is kind and considerate to her husband and children will create a温馨家庭 atmosphere and make the marriage more satisfying.

How the Maid Shall Seek a Husband:

It is important for a maid to seek a husband who is honest and trustworthy, and who will provide a secure future for her. A husband who is dishonest or untrustworthy will cause problems and lead to unhappiness in marriage. It is crucial to choose a husband who will be a good provider and partner. The maid should carefully evaluate a potential husband's character, intelligence, and financial prospects before making a commitment.

Love and Marriage:

Love is a powerful force that can transform a marriage. It is the foundation of a strong and lasting relationship. To build love, a husband and wife must communicate openly, show affection, and support each other through thick and thin. A marriage built on love will be more fulfilling and satisfying than one based on convenience or obligation.
How She Shall Behave Herself Unto Her Husband

A woman shall have power over her own body, not only on the goodness of 
woman, but also by the goodness of her husband. The husband is the leading 
by the goodness of his wife. He is the head of the family, even as Christ is the 
head of the church. He is the protector, the provider, the shepherd, the 
head, the master, the leader, the guide, and the director of the household. 

A woman shall have power over her own body, not only on the goodness of 
woman, but also by the goodness of her husband. He is the head of the family, even as Christ is the 
head of the church. He is the protector, the provider, the shepherd, the 
head, the master, the leader, the guide, and the director of the household.

Chastity:

A married man should make ready to give himself unto his wife, and the husband should be subject unto the wife. For the husband is subject to Christ. And the wife is subject to her husband, as they are both subject to the Lord. For the husband is the head of the wife, even as Christ is the head of the church: and the church is his body; and he is the savior of the church. The husband therefore ought to love his wife as he loveth his own body. And the church doth see that she is the helper of his body, that it may give Animated.
